Dear Parents/Carers,

This is the first week of your child’s school life! It is a big week for them, for you and us too!

We want you to know what a privilege it is to teach your child. Children are all different, unique and precious and it is a huge responsibility to become their first teacher. We take the role very seriously and will do our very best to ensure that they are safe, cared for and happy.

We want them to love school and we want to make our classroom a place of laughter and learning!

If you have any concerns or questions, please do come and speak to us after school and we will do our very best to help.

---

**Our Topic**

Our Topic this half term is ‘Ourselves’. The children will learn about their bodies, talk about their families and discuss their likes and dislikes. They will do this in different ways within our continuous provision and in taught carpet sessions.

We can’t wait to have lots of fun and learn more about you as the weeks go on!

---

**Help from Home**

It is great to hear from our families and find out what the children have been doing outside school. We love seeing drawings, pictures or photographs of achievements your child has made so please bring them in so we can celebrate them in school and add them to their Profile Book.

In class we also have a ‘Proud Cloud Display’ which we would like parents to be a part of.

Attached to this letter is a cloud outline. Please write something that your child has done recently which has made you proud. We will put them on our display and show off all the great milestones that the children achieve.

---

**Things to Remember**

- PE is on Wednesday and Friday. Please make sure your child has their PE kit in school and every item of their school uniform has their name in it.
- Reading books will be changed on Mondays. Please make sure that reading records are signed when you have read the books together as we will not change them otherwise.
- Celebration assemblies are on Fridays at 9:10am. You are more than welcome to attend.
